Introduction

The Moodle App can help you to access your learning where and when you want. Through the app you can:

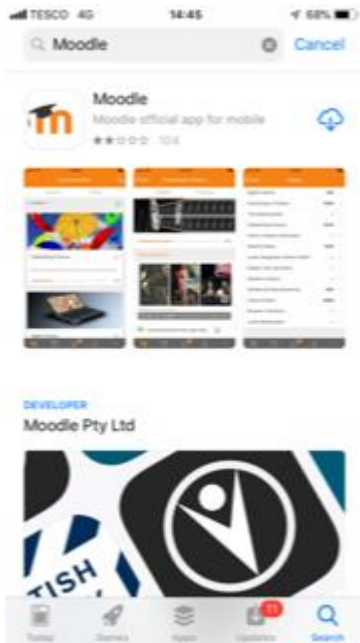

- Access your course materials
- Submit assessments
- Keep in contact with your peers
- Be up to date through notifications and messages

Downloading the App

The App is available for both iOS and Android and can be installed using the following steps

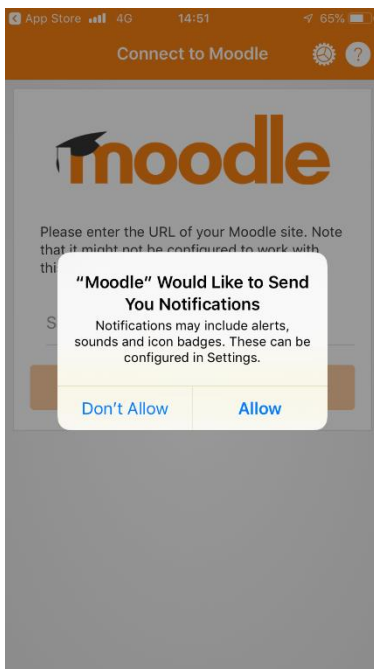

Moodle App for ios

- 1) On your device go to the app store
- 2) Search for Moodle
- 2) Download the Moodle App

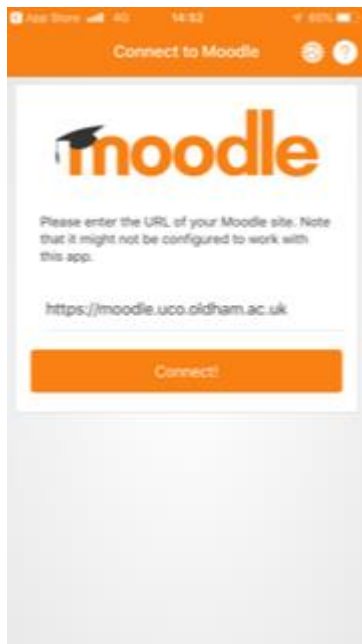

4) Open the Moodle App

5) Press allow if you want to receive Moodle notifications

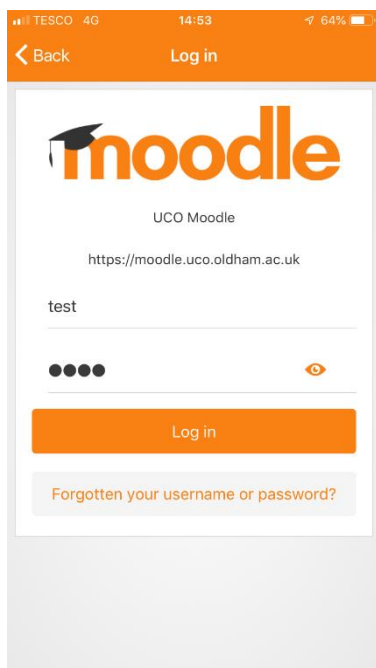

6) Enter the site as:

<https://moodle.uco.oldham.ac.uk>

7) Click **Connect**

8) Enter your username and password and click Log in

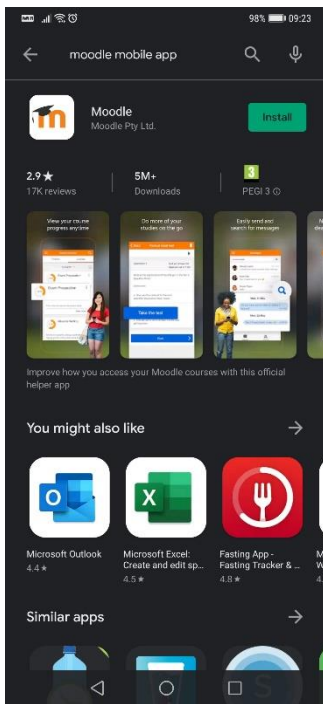

8) You should now have access to Moodle

Moodle App for Android

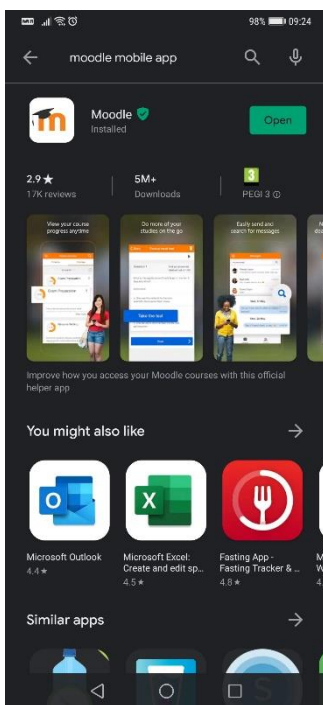

1) On your device go to Google Play

2) Search for Moodle

3) Download the Moodle App

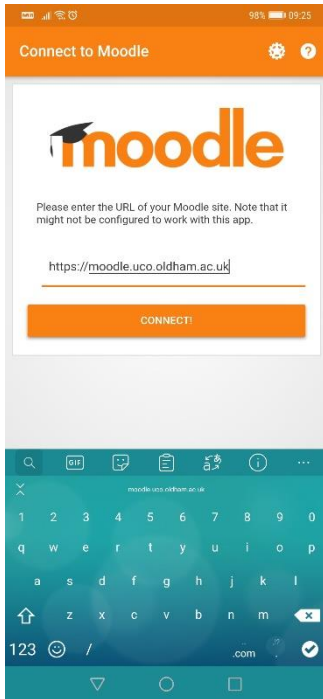

4) Open the App when installed

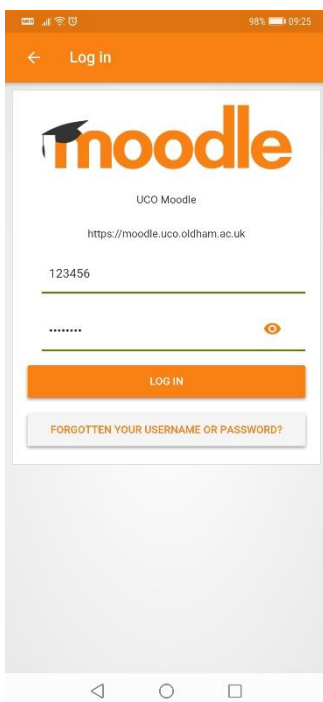

5) Type in the site address:

<https://moodle.uco.oldham.ac.uk>

6) Enter your student username and password and click **Log In**

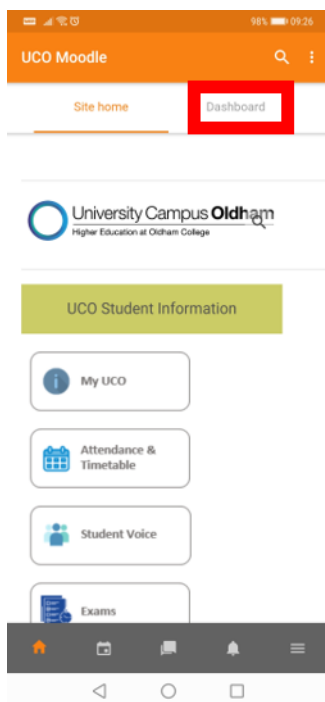

7) You should now be on the Moodle site

Accessing your Course

1) Click on Dashboard

2) Your courses on Moodle will be listed – click on the course you require
